

Virginia Lakes and Watersheds Association

LEO BOURASSA SCHOLARSHIP

ANNOUNCEMENT

The mission of the Virginia Lakes and Watersheds Association is to promote and educate the public on good lake and watershed management, encourage sustainable stormwater management practices and protect the welfare of lakes and other water resources within the Commonwealth. To help further our mission, we would like to offer scholarships to support and acknowledge deserving students who are studying in fields related to water resources. In the past, VLWA has awarded multiple scholarships per year ranging from \$3,000 to \$1,000 each.

ELIGIBILITY:

The applicant must:

1. be a student in good standing at any Virginia accredited college or university and a resident of Virginia at the time of application and at the time of award;
2. have successfully completed, or will complete by the award date, at least two semesters of undergraduate study; and
3. be a full-time undergraduate, full-time graduate student, or part-time graduate student enrolled in a curriculum related to water resources including but not limited to: biology, conservation, ecology, engineering, environmental science, geology, hydrology, limnology, stormwater management, water quality, or wildlife studies. Other areas related to water resources may also qualify.

Past scholarship recipients are allowed to reapply.

SCHOLARSHIP AWARD: A check in the amount of the scholarship will be written to the college or university the recipient is currently attending and can be applied only towards tuition or fees.

SELECTION CRITERIA:

The scholarship recipient will be selected on the basis of academic performance, extracurricular activities and contributions related to water resources. We intend to award a minimum of one of undergraduate student scholarship and one graduate student scholarship. Additional scholarships may be awarded depending on the number and quality of applicants.

APPLICATION DEADLINE IS APRIL 1, 2020
